*Life,
so they say,
is but a game . . .*

*and they let it
slip away*

*Love,
like the autumn sun
should be dying . . .*

*But
it's only
just begun!*

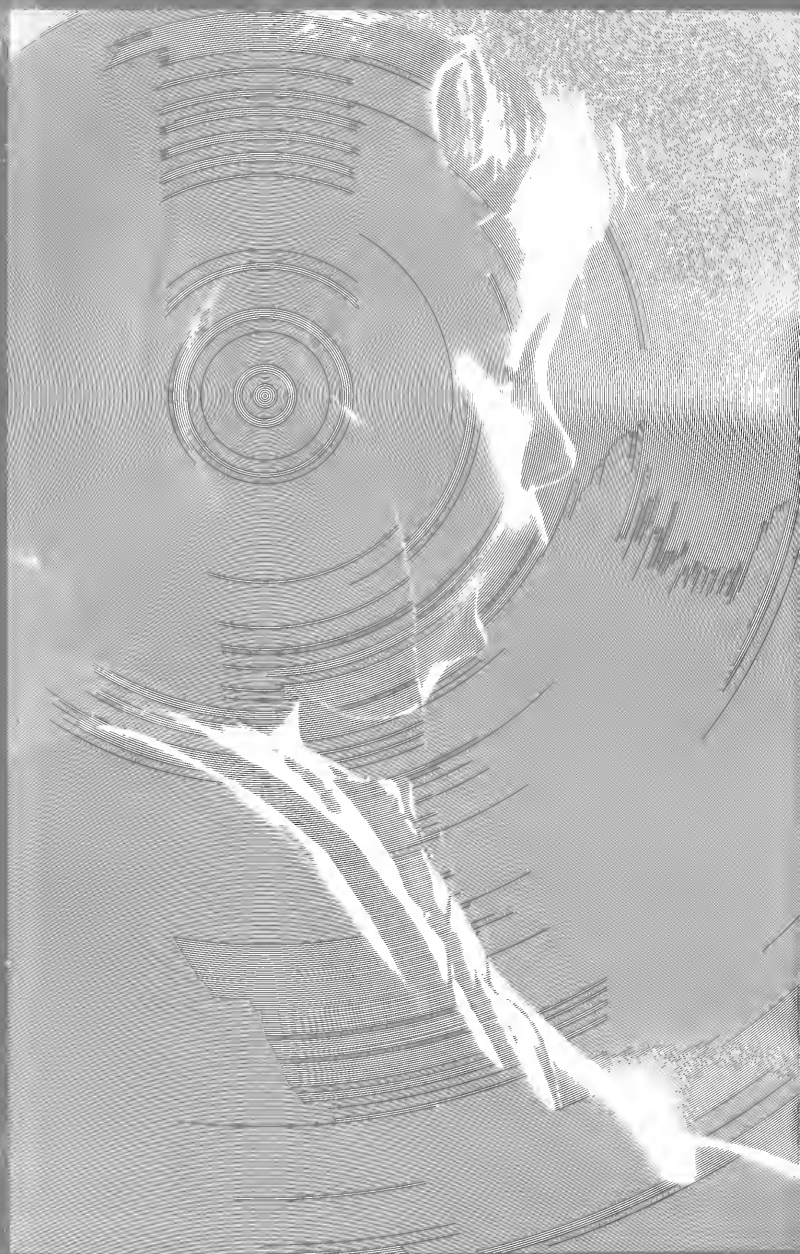

*Like
the twilight in
the road up ahead*

*They don't see just
where we're going . . .*

*And all the secrets of the universe
Whisper in our ears of all the years
Coming on to take us up, always up!*

*We may never pass
this way again . . .*

*Dreams,
so they say,
are for the fools*

And they let them slip away

Peace,

*Like a silent dove
should be flying . . .*

*But,
it's only just begun . . .*

*Like Columbus in
the olden days,
We must gather all
our courage.*

*Sail our ships
out on the
open sea*

Cast away our fears

*And all the years are coming on
to take us up, always up!*

*We may never pass
this way again . . .*

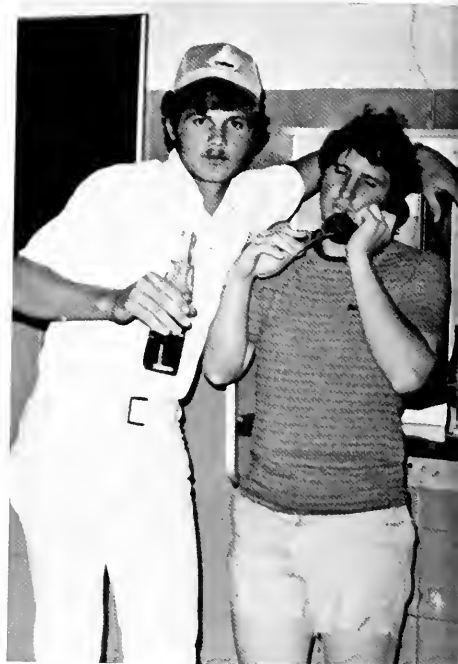

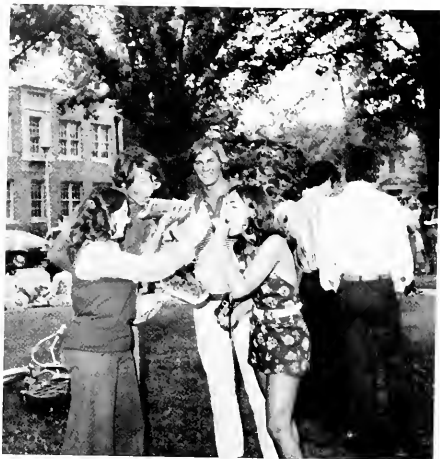

*I want to laugh
while the laughing is easy.*

*I want to cry
if it makes it worthwhile*

*you make me
feel like
I'm more than a friend. . . .*

Scals and Crofts

Through this darkened world, alas,
Once, and only once, I pass.
If I may help a fellow man,
Let me do it while I can;
For, above all, one thing is plain:

I shall not pass this way again.

School of Education

The general purposes of the School of Education at Delta State College are several:

1. To prepare competent teachers for the elementary and secondary schools of the state;
2. To cooperate with the various academic disciplines at the secondary level in giving the professional training of the students in the various departments;
3. To be the "watchdog" of the National Council for Accreditation of Teacher Education regarding standards of the Council in Teacher Education programs at Delta State College at both undergraduate and graduate levels;
4. To give administrative and curricular revision leadership through the administrative Council and Curriculum Committees of the various departments of the School of Education in meeting state and national accreditation and certification standards;
5. To provide personnel through which the School of Graduate Studies implements graduate programs which lead to Master of Education degrees;

6. To provide Audiovisual Center services to all departments on campus;
7. To provide a Child Development Program for students in this area of study as well as to provide a service to parents of children who are enrolled;
8. To operate a Reading Center which includes the Master of Education degree granting program as well as institutional developmental reading for students of Delta State College and in accepting referrals from the general public for remediation work;
9. To operate the Department of Student Teaching which includes the placement and supervision of student teachers, the placement and supervision of laboratory and clinical experiences as well as the practicum;
10. To provide leadership in the field of Education through the School of Education Forum and other professional endeavors on the campus and through the state, regional and national professional societies and associations.

GRADUATE SCHOOL

GRADUATE SCHOOL

The general purposes of the School of Graduate Studies is to offer a graduate program for intellectual and professional growth. The specific purpose in offering the Master of Education degree has been to meet the needs of the teachers and prospective teachers of Mississippi and to lift the educational level of the elementary and high school students served by these teachers. The Master of Arts and Master of Science degrees were added to give more concentration in subject fields for careers in research and/or college teaching. The Master of Library Science degree was designed to answer the ever-growing demand for public and school librarians. To meet the requirement of some businesses for in-depth knowledge of accounting, business administration, and economics, the Master of Business Administration degree was added to the graduate program.

GREEKS

"Unity" is a basic word to sororities and fraternities. The Greek life is one founded on unity — one finds a group of people he can feel at ease with and work well with and becomes a part of them. The members of the group must be unified, must be able to cry together as well as laugh, for the group to live up to the ideals set forth by its creed.

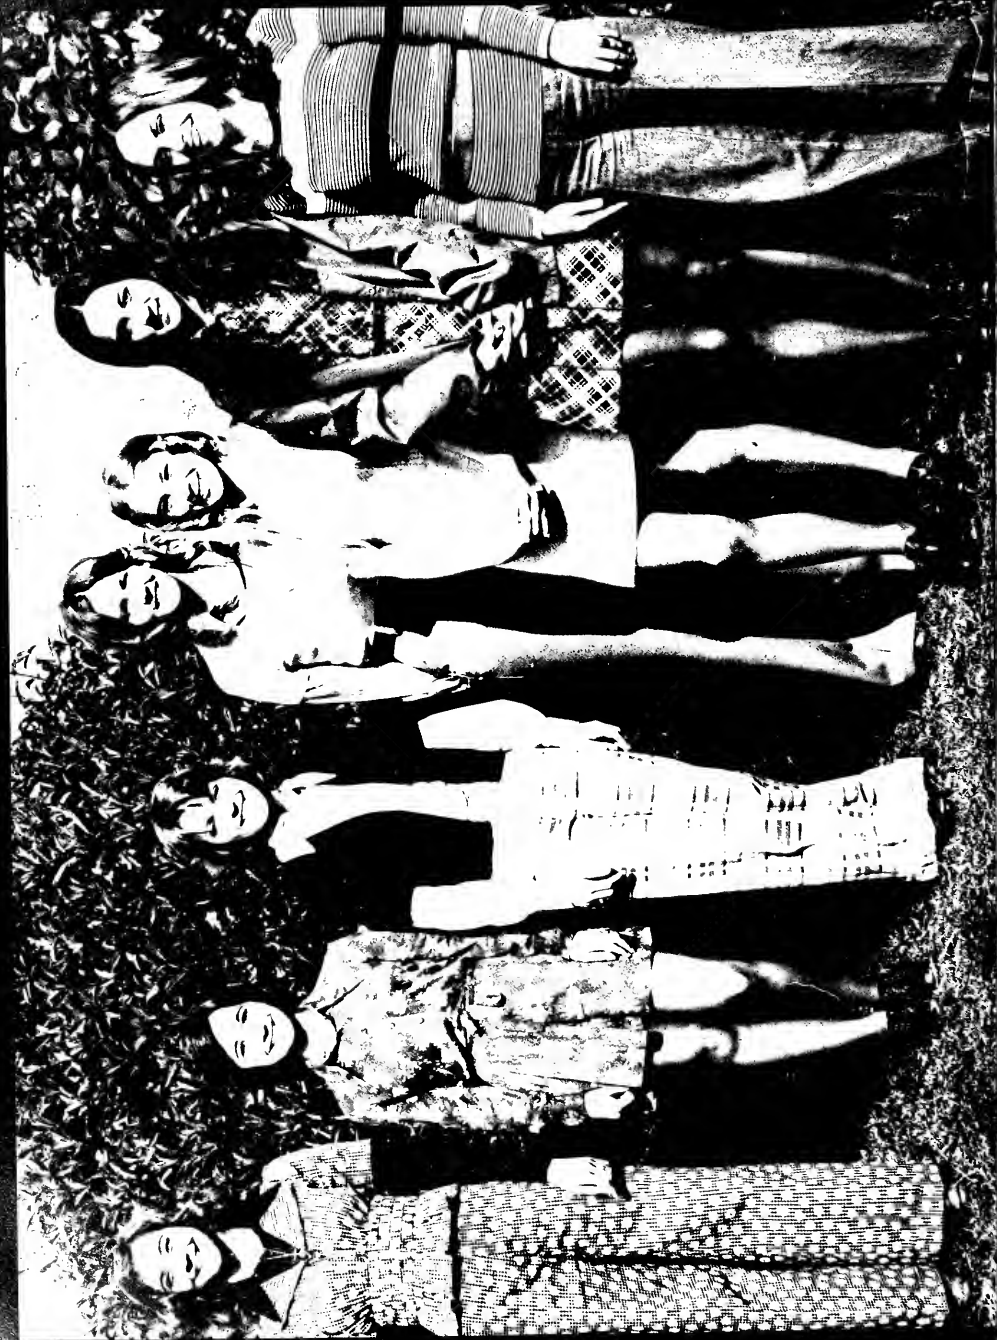

Many people think a Greek is a different breed of person. But that isn't true. Greeks are simple people who have learned to love as real brothers and sisters should love.

Their willing and eager help for fellow fraternity and sorority members is often criticized by independents as being too partisan, but perhaps everyone should take their love as a good example. If we cared about everybody else as much as Greeks care about each other, what a wonderful world this could be!

Horace McCool is retiring from the capacity of head football coach this year, to assume a more demanding role as Delta State Athletic Director. We, the players and the student body, are sad to see him step down, but proud of what he has accomplished. Coach McCool took over as head coach in 1961 and his teams have compiled a 76-48-1 record. He holds the DSC record for most victories (76), best won-lost percentage (.610), and most points scored (2,582). His last two Delta State teams rewrote the Statesmen record books on offense. The Deltans were 7-3 in 1972 and 8-3 last season. Following our 7-3 finish in '72, Coach McCool was named "Coach of the Year" in NAIA District 27. He holds the distinction of being the only Delta State grid coach to produce six consecutive winning seasons. For these notable contributions, we are proud to say, Horace McCool, a job well done.

AN OFFENSE TO DO

Larry Miller romps 90 yds. for the score against Livingston University in our 49-40 upset victory.

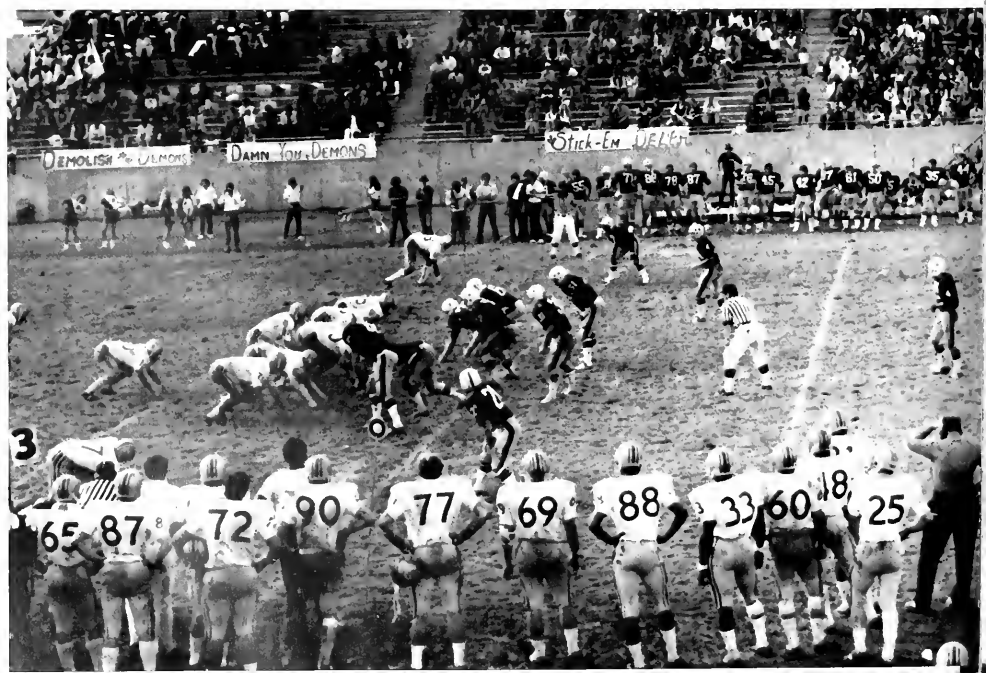

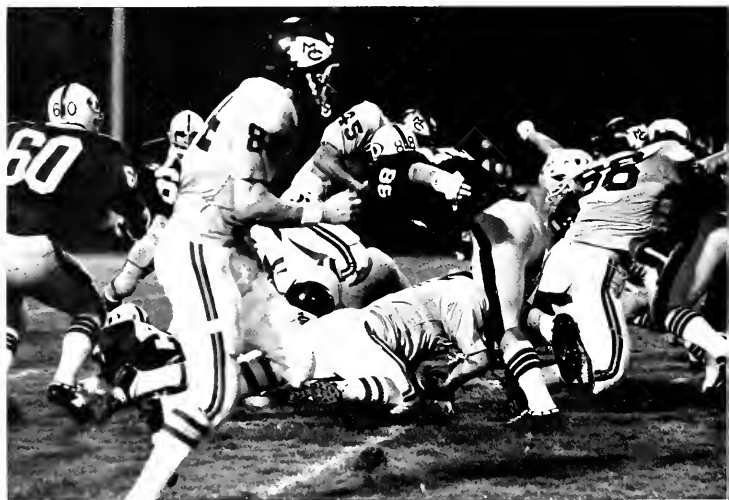

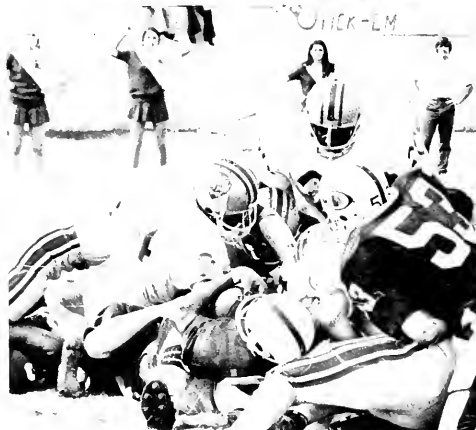

Bradberry broke all school records for a quarterback. Left: David completes a pass to Jerry Key at the Miss. College 3 yd. line. Bottom: "Keep going, Dave, I'll lay on him this time," says Bob Covington, No. 45.

**For whom is MP&L Helping Build
 Mississippi Communities?**

For them.

MP&L's Community Development work extends to young Mississippians. Working with Boy Scouts and 4-H Clubs the Company sponsors the Helping Build Mississippi Communities projects, which include conservation and beautification efforts, traffic safety, and "Good Samaritanism" toward the elderly. This work with young citizens gives added meaning and a long-range approach to MP&L's goal of "Helping Build Mississippi."

Well,
that countdown of days finally hit zero.
The last bells have sounded
and faded away.
Those "well-used" books had their soaring
Moment of glory.

And now,
with another year of change behind you,
change within, change without,
another year of preparation, training,
another year of discipline, harassment maybe,
all of this behind you,
completed . . .

Now, suddenly,
your roommate,

the one who stood next to you only yesterday,
the group with whom you went drinking last weekend,
yourself . . .

Each has graduated to new and much heavier responsibilities
than the classes and homework of yesterday.

As the campus empties,
each student carries away with him
unforgettable memories of another shared year.
Wherever or whatever the future,
memories and friendships will remain strong.
3,481 individuals
made one through shared memories of sweat and pain,
of good times and bad . . .
Made one through shared experiences and comradeship.

It's been a good year.
